I'm adding Steve Willis to this chain, so he's also in the loop. ☺

So, 1 PM Pacific (4 PM EST)? That would work for me.

Looks like early Monday afternoon might be best, as Wayne and I both have a teleconference in the morning. How about 1 pm on Monday?

I am out Fri AM. I will be remote Fri. afternoon, but may be able to call in Fri. PM. I would need a number to call into. Mon. 9-25 afternoon is better (I have North Indian Bend Wash call 930AM). Tues 9-26-2018 not good.

Perhaps we should schedule a call to discuss once we've digested Eleanor's analysis (a big thank you!) to discuss our next steps, preferably before the call with AF on weds to discuss the new wells. How about tomorrow afternoon, or Monday or Tuesday?

I've only had a chance to read the bullets on page 10 thus far, but I would like to thank Eleanor for reviewing the report and providing the comments
